The advertisement is a vertical rectangular poster. At the top, there is a blue silhouette of a city skyline. In the upper right corner, a red circular badge with a white star contains the text 'Open 24 Hours'. Below the skyline, the main headline reads 'The only thing more Authentic than our Hot Dogs is our price!' in white and yellow text. The center of the poster features a close-up photograph of two hot dogs in buns with yellow mustard. Below the photo, a red tray holds a green receipt. The bottom section of the poster has a blue background with white text for the offer: 'Double Hot Dog & Side Only \$4.99'. At the very bottom, there is a red and white checkered border. On the left, the address '5402 ANY STREET WEST TOWNSVILLE, STATE 54021' is printed in black. On the right, the 'American DINER' logo is displayed, featuring a red star in a white circle above the word 'American' in a blue box, 'DINER' in large white letters on a red background, and the phone number '555-543-5402' below it.
